

FOR SALE

2012 Ford F550 Diesel with a Crescent 1100 model (750W/350F) 105,000 miles \$54,900.00 ● SOLD ●

2012 Ford F550 Diesel with a Crescent 900 model (650W/350F) 115,000 miles ~~\$52,900.00~~ \$41,000

The trucks are similar other than the waste capacity and the ability to haul 4 units versus 6 units.

This picture displays the Crescent 1100 model.

Passenger side model 1100

The trucks were purchased new in 2012 and used 3 seasons. The trucks are in excellent condition other than normal wear. Both trucks have had the turbo replaced which is the only repair thus far. The trucks are housed in Oregon, Illinois, 61061. Oregon is approximately, 2 hours west of Chicago, IL
